Mr. Jones:

Thank you bringing your inquiry to Commissioner Eversole's attention. He appreciates your community involvement and provides the following information.

The City of Houston (COH) has not been working on general purpose annexations at all. The only annexing COH has been working on recently is "Limited purpose annexation" in the Atascocita area. Nonetheless, Commissioner Eversole does not have a vote on COH annexations.

Again, thank you Mr. Jones, for bringing your concerns to Commissioner Eversole's attention. If our office can be of assistance with Precinct Four Road and Bridge matters, please feel free to contact our Community Assistance Department at (281) 353-8424 or visit our website at www.cp4,hctx.net.

Sincerely,
Steve Bowers
Assistant Director
Precinct Four Community Assistance Department

There are very hot rumors going that Huffman will soon be annexed by Houston - that the annexation has already been approved by Jerry Eversole - Is it true?
